

2002-03 District Status Report

Midland School District

Accreditation Standards

The Standards of Accreditation of Public Schools require that each school offer three programs of study in three different occupational areas. Below are the programs offered for 2003-04. If a program is offered at a vocational center, students must be enrolled in the 2003-04 school year.

Midland High School is offering six programs of study in five occupational areas:

Agricultural Mechanics	Approved
Agricultural Sciences	Approved
Automotive Service Technology	Approved Off Campus ASU Area Career Center
Family & Consumer Sciences Education	Approved
Information Management	Approved
Welding	Approved Off Campus ASU Area Career Center

District Rating: Meets Standard of Accreditation Requirements

Completers of Programs of Study

A completer is a graduate who successfully completed three or more units of credit within a program of study, including all the core requirements for that program of study.

There are two measures for this indicator. The first is the number of completers compared to the number of graduates. The second is the number of seniors enrolled in career and technical classes compared to the number of completers.

The state benchmarks for this measure are 35 percent and 50 percent, respectively.

Completers compared to graduates	34%
State average	28%

District Rating: Meets or Exceeds State Average

Number of seniors enrolled in vocational education compared to number of completers	45%
State average	36%

District Rating: Meets or Exceeds State Average
